Dr. Ivo Miller, Program Chair ~ Dr. Daniel Holsinger, New Dentist Rep

Dr. K.C. Dyer, Community Dental Health ~ Dr. Glen Wilson, Membership Benefits

Dr. Joe Payne, Peer Review and Constitution & Bylaws

President’s Message:

Greetings friends and colleagues!

As summer winds down and we head toward the fall, I reflect on my first several months as your CADS President. What a ride it has been! An out of control, wheels on fire, engine smoking ride...but a ride nonetheless! When I took over in April, we were all effectively shut down and unable to practice. I don’t have to remind any of you how helpless a feeling that was...to have no control over your practice life and no contact with patients or staff. As we learned more about the virus that causes COVID-19, we came to together as a dental community to find a way to provide care to our patients in a safe setting. Though there were many bumps in the road (and will continue to be), the Tripartite structure of the ADA, TDA and CADS are fighting for your interests each step of the way. Whether it be consulting and making recommendations to the CDC or OSHA, or lobbying Congress for relief funds, we are well represented in organized dentistry.

As we move forward into the fall, things are obviously going to look different for CADS. With COVID-19 still looming, large group meetings will still be limited until the outbreak is more under control. We are planning to have a combination of online/virtual meetings and some in person meetings, though this is unfortunately all subject to change. The TDA has worked very hard to set up an online CE program (recently with the AZ Dental Association) and in September the TDA will be hosting a virtual CE course to help our members meet their Chemical Dependency requirements. We are planning to hold our first “in person” meeting in October with our own Dr. Heath Blockley and Dr. Anthony Hodges sharing with us.

In closing, I want to thank each of you for being a part of the Chattanooga Area Dental Society and also thank you for allowing me to represent you as your President. Our Executive Director, Rhonda Jones, and myself are available if you have any questions or concerns. I look forward to seeing each of you this fall (in person hopefully) and wish you success as you navigate your work life and personal life during these trying times.

Stay safe and God Bless,

Andy McDaniel, D.D.S., M.S.
CADS 2020-2021 President

Join us in October as two of our own CADS Members , Drs. Anthony Hodges and Heath Blockley.

You won’t want to miss these two as we explore the world of “Forensic Dental Identification”, Thursday, October 15, 2020.

Currently scheduled at the Chattanooga Golf and Country Club with registration opening at 5:30 p.m. and CE Lecture beginning at 6:00 p.m.

One of our Past CADS President, **Dr. DeWayne McCamish** is currently serving at the TDA, as the Interim TDA Executive Director. Be sure to thank him for taking time out of his retirement to support the TDA while they are in this transition.

In addition to the Chemical Dependency and Rx Writing article in the September/October issue of *TDA News*, the TDA will also offer an online webinar on this topic Sept. 15, 2020. In this 1 hour CE course Dr. Stephen Loyd will cover the neurobiology of addiction, the role of trauma in development of addiction, strategies for screening patients, and the proper prescribing principles.

1 Hour Continuing Education

Only \$25
