### “Creating Community”

**Tuesday, October 19th**

**Registration and Social Hour opens at 5:30 pm, dinner begins at 6:00 pm,  
with our CE Lecture starting at 6:30 pm.**

***at the Chattanooga Golf and Country Club***

Heath Eslinger is a dynamic leader and communicator who has been changing lives for over two decades. His passion for individuals, teams, and corporations to simply evaluate their present circumstances and do things “a better way” has become contagious. His experience as a successful Division I wrestling coach has given him a training ground to see what it really takes to get an organization to believe in a system, buy into a philosophy, and perform at a high level while most importantly impacting the deepest parts of all involved. This experience, coupled with a passionate ability to communicate, make him a speaker that listeners in every area and every phase of life love to hear. Heath has been married to his wife Brandi for 13 years and they have four children: Brookelyn, Maddelyn and Keelyn, and Carson .

Greetings CADS members!!

Thanks to all who attended our September meeting! This was one of our best attended meetings outside of OSHA and chemical dependency meetings. The meeting started off great with our new dentist social hour sponsored by Ted Reagan with Patterson Dental. Please encourage all new dentists to attend these events. It is a great way to get new people involved and allow them to meet other dentists. Our next new dentist event will take place prior to the November meeting.

For the second year in a row Dr Jay Sizemore spoke on "Infectious Disease in Dentistry" and once again it was a fantastic program. Most of the program was spent on Covid and the increases in cases that we were seeing in the Chattanooga area. He also talked about the effectiveness of the vaccine, booster shots, and treatment modalities for patients with Covid. He ended the program by talking about Legionnaires Disease and relating this to water lines in the dental office. Hopefully we can have Dr Sizemore come speak again.

We were fortunate to have Dr Zac Carden at our meeting and to be able to present him with the Jack Wells Award. Dr Carden has been very active in organized dentistry on all levels and has been a pillar of the dental community in Chattanooga for many years. The RAM clinic was also present at the meeting, and Dr Peter Stanley discussed the upcoming event that will be held on October 23 and 24 at Camp Jordan. If you would like to volunteer, you can register at ramusa.org. For other volunteering opportunities please checkout the CADS newsletter and social media sites.

Our next CADS meeting will be held on October 19. Please be aware that the meeting was moved to the third Tuesday because of fall breaks. Our speaker of the meeting will be former UTC wrestling coach Heath Eslinger. The topic will be how to be a better leader in your practice and in your community.

Please make plans to attend.

## “Like Pulling Teeth: An Emergency Department Physician’s Perspective on Dental Issues in the ED”

What sort of dental issues do emergency department physicians see in the ED? Get the ED physician’s perspective on common dental complaints, pain management, emerging trends and practical tips on building referral models of care

Learners will be able to:

- understand common dental complaints presented in the ED and how dental pain is managed
- learn about emerging trends seen in the ED in the COVID-19 era
- understand what dentists need to know when presented with a medical emergency
- identify what to say (and not say) when working with an ED to create referral models of care

The ADA is a CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.
